

## UK COMPANIES' MATCHING GIFT SCHEME

Many companies will help support charities through a matched giving scheme, whereby they will match funds raised and donated by their employees. Some companies have formal schemes for matched funding, while others may consider each request on its own merits.

In many cases, participating companies will match an employee's donation pound for pound up to a set amount.

Below is a list of companies which we understand will match the charitable gifts of their employees.

### Make your fundraising go even further!
