

We asked our staff:

“What would you tell a friend about MSF, if he or she was about to start working here?”

It's a great place to work. it's a lot of fun. Everyone is really friendly.

Enjoy the time, enjoy the support offered, and make sure that the children have a fantastic time!

Start as soon as you can, it is a wonderful place to work, and the smiles on the faces of the children mean you go home with a smile on your face too.

It's a good organisation to work for. MSF care about their staff and provide them with all the training they need. The staff are all really friendly, and supportive, and it is a lovely atmosphere to work.

It is an amazing family environment and staff are listened to and valued.

Great management support network and friendly staff.

We have great teams of people who will empower you to gain skills and knowledge as well as being a friendly, happy, and fun group of staff.

That you are made to feel welcome. Safeguarding is important to protect yourself as well as the children.

We have lots of fun and everyone cares about the children we look after.

I would say It's a very good organisation, who look after their staff, and welcome you to our family team.

I would say how much I enjoy working at MSFs. I have always felt supported and enjoy supporting the children and teenagers. I should have worked at MSF years ago.
