

Dear families,

I hope you are all safe and well. As you know we managed to open our Poolbrook and Fort Royal clubs during the summer and I have visited both and all the children were having a fantastic time. We are planning for all our clubs to be open from September although number of places will be limited and we will be running a restricted timetable.

As you will no doubt be aware 2020 has been a difficult time financially for all Charities and we have had no option but to put up the fees from 12.9.2020. We have tried to keep the increase to the smallest possible amount, and I hope you will agree our clubs are still superb value for money. The new prices will be as follows

Saturday and Holiday clubs for Poolbrook, Regency and Fort Royal: £21 per session

After School Clubs at Regency and Malvern Wednesday Youth clubs: £5.75. per session.

As ever if you are having particularly financial difficulty please do not hesitate to contact me.

I wish you all well and look forward to all our clubs opening in September.

Gareth Jones
CEO
