

IMPORTANT UPDATE Re: Club fees from 1st April 2023

Dear MSF families,

Following a recent meeting, the board of trustees have taken the decision to increase our club fees from 1st April 2023. This decision is in response to a significant rise in our running costs and is necessary to ensure we can continue offering a high-quality service for our families.

Our club fees will increase as follows:

- Saturday & Holiday Clubs - **£26** per session (currently £21)
- After School Clubs & Evening Youth Club - **£7** per session (currently £5.75)

These new fees are included on our Summer Term Booking Request Form (2023) and will be applicable to all sessions booked for 1st April 2023 onwards.

Currently it costs us £25+ per hour, per child, to deliver our sessions and we do not charge for specific activities or trips in addition to our club fees. We hope you will agree that our clubs remain excellent value for money and competitively priced.

If you have any queries regarding our new fees, please contact Gareth Jones (C.E.O.) at ceo@malvernspecialfamilies.org.uk.
